BRAND GUIDELINES

Logo, proper examples of usage, colors

Master Logo & Minimum Size

Our master logo is a visual representation of our brand. To strengthen brand recognition, it should be prominently and consistently featured. Always use the logo in its full-color version for maximum impact.

When our master logo needs to be reproduced at smaller sizes, the minimum recommended size ensures legibility.

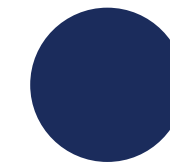

Inverse colors

Master logo

Hex #8842DC
RGB 136 66 220

Hex #1B2C5C
RGB 27 44 92
